We are gathering mobile gourmet food trucks, trailers, catering carts and artisan vendors from all across the Tri-State Area in an attempt to create a foodies dream “Picnic in the Hamptons”. This Summer Event will be a great attraction for families, foodies, tourists, and locals and we invite local businesses to not only attend, but we also encourage them to participate.

Businesses can participate by choosing to rent space for setting up a booth to either sell their products and/or services, promote their business and generate leads, or simply by becoming a sponsor to this event in exchange for marketing and advertising throughout the promotions of this Event as well as other benefits that are listed on the website. By choosing to participate in any one of these ways, it will help us to make this event a major attraction which will not only help raise more money for the Elks Lodge but will help our local businesses in our community to generate more business and potential prospects from our attendees.

We greatly appreciate any and all support from our local businesses as well as those larger corporations who conduct their business on the East End of Long Island including the Hamptons, and we look forward to making the community aware of their presence both online and offline.

We have plans to make this a memorable and annual event in the Hamptons at this same venue each summer but we also have greater ideas on how to make this a spectacular attraction and annual Hamptons event that people will look forward to attending every year. Help us to make this happen by participating!

If you have other ideas on how you can get involved, we would love to not only hear it, but we would love to implement it. Please contact us ASAP with your ideas. We are open-minded and highly motivated to make this a Great Annual Hamptons Event. We look forward to hearing from you.

**VIP, SILVER, and GOLD** Sponsorships are available and the benefits of each can be viewed on the event website [www.LongIslandFoodTruckRodeo.com](http://www.LongIslandFoodTruckRodeo.com). Please choose one that is best and affordable to you.
